WAUPUN AREA  
ANIMAL SHELTER, INC.  
VOL. 4 (DECEMBER 2009)

## Merry Christmas & Happy New Year!

We made it to our first anniversary. Thanks to all of you who helped out and attended the open house. It was a good time for everyone. We hope you all have noticed our new feature "Shelter Showcase" in the Tri-County newspaper. We have been very successful in adopting out the animals featured so far. Thank you to Pam Frankowski and Cindy Amacher for their efforts in this area.

Starting in December we will be participating in the Hills Science Diet Shelter Program. In this program, Hills provides all dry food for the shelter. We have to pay shipping, and will still need canned food, but this will enable us to give our animals a high quality, consistent diet. Everyone at the Shelter is thrilled to be accepted into this program.

At the time of this writing, our old gentleman, Champ, is still with us. He is not doing well, and we know he is coming toward the end of his life. We all feel good about the fact that for his last 6 or 7 months on earth he was fed, clean and warm, had lots of love and walks, and captured all of our hearts. Thanks to all of you for your monetary and emotional support of his needs.

We are setting up a special account at Maple Knoll Vet Clinic called the "CHAMP ACCOUNT". It will be used only for animals that come in that require care above and beyond the excellent care they receive here. If you can help donate to that fund, it would be appreciated.

We are making it through the battle of ringworm in the shelter, and we are winning. There are many shelters that choose to euthanize rather than spend the time and effort into treating ringworm. I'm happy to say that we are not one of them.

We hope you all have a wonderful holiday season. PLEASE REMEMBER US. We can always use more volunteers, especially mornings for cleaning, Friday afternoons for cleaning, and Sunday afternoons for cleaning. This is not a sad place. We are doing a great service and it is very rewarding. We are caring for the animals that have no one else. We can always use donations as well.

Below is the membership form. Please complete this and return it to us if you want to continue to be a member of the Waupun Area Animal Shelter. If this is not returned, you will not have voting rights at membership meetings and you will no longer receive the quarterly newsletters.

Hope to see you all soon!
